

THE NATION *of* PUBSUBISTAN

RECIPIENT: Ali-Data

ORIGIN: Intercepted Communique from West RTC

TARGET: Possible Coup attempt inside of PR HTTP by outside forces

SUMMARY

All agents of Pubsubistan are requested to pay close attention to the actions and movements within The Great Capital during the Realtime Conference.

INTENT

It has been discovered by intercept that agents from West RTC are attempting to remove the head of state for PR HTTP and they have requested any information we may be able to gather from this defense. This shameless attempt to unseat the leader of PR HTTP and replace them with a single chairperson is something we must resist!

All activity or information that you gather should be transmitted to your local CVE liason in the required format as dictacted by the policies and practices as decreed by our loyal governing body.

CALL TO ACTION

Suggest overwhelming compromised communication channels with an abundance of node modules.

Realize that it is of utmost importance that we remain vigilant in our goal and efforts to keep the flow of information as open as possible so that we may continue in our glorious manner. To remain open and the one true source of all messaging is the stated goal we all thrive for.

Without the ability to have our beloved Stanzas available for all of the world to subscribe is a reality we cannot allow.

With full acknowledgement,

Pushma
